# 2024 KIDS CAMP FAQ

- **What ages should kids be to attend camp?**
  - **Campers - Ages 8-11**
  - **Dish Crew - Ages 14-19**
  - **Junior Group Leaders – Ages 16-18**
  - **Kids Camp Group Leaders - Over 18 years old.**
- **Does camp have a nurse to help administer first aid and pass meds?**
  - Yes. Each camp is staffed with a Licensed or Registered Nurse who will assist wherever they are needed. Medical Administration Records (MAR) are completed by the parents, brought to camp on the first day, at check-in, and given to the nurse.
- **How does the camp handle campers' money for spending?**
  - Each child will be given a “bank” card to use, instead of using actual money. This helps when the child loses their bank card, because their names are on their bank cards. Money can be deposited into the camper’s account at on-site check-in. Any unused money will be refunded back to the camper at the end of camp.
- **If I do not pre-pay for a camp T-shirt, can my camper still get one?**
  - Yes. We do order a small number of shirts in assorted sizes that are sold at camp. Quantities are limited, so it is advised that you prepay for your camper's shirt when registering them online.
- **When is my camper's balance due?**
  - Camp balances are due the first day of camp, at on-site check-in.
- **What should I expect on the first day of camp, at check-in?**
  - Lice Check will happen first. No campers will be admitted to camp if nits or lice have been found. Please pre-check your campers before bringing them to the campgrounds.
  - Next will be registration.
    - **Leaders only**, will enter the check-in area. Kids will stay outside until their leader has gone through the check-in stations. Leaders should be prepared to pay your camper’s balance. This is when leaders will receive rooming assignments and any pre-paid t-shirts.
  - The bank is where campers will go next. Each camper should give their leaders an envelope with their Full Name, Church City/Name, and Amount included marked on the outside (one for each camper). The bank will allow deposits only. Campers will be able to get their spending cards later that evening during concession time.
  - Finally, all medications will go to the nurse, along with a completed MAR (mentioned above).
- **When will my camper meet their Group Leader?**
  - Campers will meet their Group Leader shortly after they move into their dorms. This is also when campers will receive their team wristbands.
- **Can I send mail to my camper while they are at camp?**
  - Yes, but make sure you send it well in advance if you are mailing it. It is recommended that you bring your letters with you and deposit them in the camp mailbox at check-in.
- **Does Indiana NextGen offer scholarships for campers?**
  - No, we do not. We always suggest that the local church offer scholarships for campers.

- **Does Lake Placid offer dietary substitutions for campers with allergies?**
  - Our Lake Placid camp kitchen is not a scratch kitchen, but a devoted refrigerator is available for GF foods. You must provide your own substitutions, but Lake Placid does offer alternative, safe foods such as a salad bar, fruits, and veggies. If you have questions or concerns, please contact Lake Placid directly for more information about your dietary needs.
  
- **When is the deadline for camp?**
  - The deadline for early bird registration is June 1st.
  
- **Who do I call to discuss questions or concerns about camps?**
  - Call (317) 872-9812, ext. 104. Ask for Jen.
  
- **Where can I go to register my campers or to apply as staff?**
  - You can visit this link:
  
- **Does Indiana NextGen require background checks for all our leaders?**
  - Yes. If your church has a current background check on file for you, a copy of that will be acceptable.
